TERMS OF SALE USA

1. Purchase of Products. (a) Except to the extent other-wise agreed upon in writing, the terms set forth herein shall govern the sale and delivery of the products described on the reverse side hereof (“Products”) by Tschorn GmbH (“Seller”) and purchased by the purchaser named on the reverse side hereof (“Purchaser”).

(b) All dealings between the parties shall be in writing and no order of Purchaser shall be binding on Seller until approved in writing by Seller.

(c) Prices of Products are subject to change without notice, and all references in sales brochures, technical data sheets and offers as details of the Products are approximate only. No such term shall be binding on Seller unless expressly incorporated in a purchase order which is approved and accepted by Seller in accordance with the terms hereof.

(d) Except as provided in subsection (e) of this Section 1, a purchase contract hereunder shall become effective upon the mailing of a written acceptance of Purchaser’s order by Seller.

(e) If the terms stated in Purchaser’s order are not acceptable to Seller, Seller may amend, delete or alter such terms and submit a counter-offer incorporating such amendments, deletions or alterations to Purchaser, it being understood and agreed that such counter-offer shall be deemed accepted by Purchaser and shall become binding on the parties if and in case Seller does not receive notice to the contrary from Purchaser within ten (10) days after Seller has sent such counter-offer to Purchaser.

(f) Purchaser acknowledges that Seller’s acceptance of any purchase order is dependent on Seller’s prior approval of Purchaser’s credit. Purchaser agrees that Seller may demand assurances of Purchaser’s ability to pay by requesting such trade or banking references or such other information as deemed adequate by Seller.

(g) Product Information. All information and data contained in general product documentation, drawings and price list, whether in electronic or any other form, are binding only to the extent as they are by reference expressly agreed upon by the Seller.

All delivery times stated in the order and its acceptance are approximate only. Seller will use commercially reasonable efforts to make the Products available for pick-up and delivery by Purchaser within a reasonable time after acceptance of an order from Purchaser. Delivery time period starts to run upon completion of drawings, delivery of material and grant of approvals, or, in case the parties hereto agree that Purchaser supplies drawings, blue prints, parts or materials, upon Seller's receipt of all of the drawings, blue prints, parts and materials, or upon Seller's receipt of the entire downpayment for the order, whichever is later.

(b) Purchaser bears the risk of loss or destruction of the Products upon and after the first to occur of (i) pick-up or acceptance of the Products by Purchaser or its common carrier at Seller's place of business, or (ii) the fifth (5) day after written notification from Seller that the Products are ready for pick-up at Seller's place of business. In case Purchaser requests a delay in delivery, Purchaser assumes all risk of loss, damage and/or destruction of the Products from the date the Products are ready to be delivered.

(c) Purchaser agrees that it will pick up or cause a common carrier to pick up the Products at Seller's place of business within five (5) days after written notification from Seller that such Products are ready for pick-up. (d) Seller reserves the right to make the Products available for pick-up and delivery in install-ments. Delay in delivery of any installment shall not relieve Purchaser of its obligation to accept remaining deliveries.

(e) If Purchaser should request any modification of the order after Seller's acceptance, Seller shall have the right to extend the delivery time period as reasonably needed to complete Purchaser's change order.

3. Force Majeure. Notwithstanding anything to the contrary, Seller shall not be liable for any delay or failure to perform hereunder when such failure or delay is, directly or indirectly, caused by, or in any manner arises from fire,
