3D Taster
SLIMplus

precise. pioneering. worldwide.

Patrick Aiple:
„3D Tester SLIMplus,
it's so nice!“

Patrick Aiple:
is the champion of the German skills, the vice
champion of the Euro skills and 6th at the world skills.

„Robust construction -
unbreakable.“

„That's how service should work:
fast and simple.“

„I hate this bad overview
in the machine.“

„Look at the overview!
That's really great!“

- + „With a carbide ball,
parallel running works great.“
- + „All in one saves a lot of time.“
- + „Antimagnetic, makes it easier.“

„Probe tips that break when it
matters.“

Precision is measurable - in contrast to child poverty!

For each sold 3D Tester, we donate one euro to the project „Kinderreich“ (translation: rich children)!

The initiative „Kinderreich Rems-Murr“ provides fast and unbureaucratic assistance to needy children and teenagers in the surroundings of Stuttgart.
